

Purveyor Review Sheet

Company: Snake River Farms

Website: <https://www.snakeriverfarms.com>

What They Provide

- American Wagyu beef with premium marbling
- Kurobuta pork (heritage breed)

Farming & Quality Standards

- Family-owned, vertically integrated system
- Humane animal care and careful breeding practices
- Renowned for Wagyu genetics and quality

Why We Consider Them

- Top choice for premium marbled beef
- Used by high-end restaurants and chefs

Things to Keep in Mind

- Premium cuts are high-cost items
- Primarily beef and pork focused

Family Decision

[] Approved – Good to use

[] Not Approved – Do not use

Purveyor Review Sheet

Company: Fossil Farms

Website: <https://www.fossilfarms.com>

What They Provide

- Exotic meats such as kangaroo, elk, bison, and camel
- Grass-fed beef and all-natural poultry

Farming & Quality Standards

- Committed to sustainability and humane practices
- Wide range of specialty proteins
- Natural, no antibiotics or hormones

Why We Consider Them

- Unique offerings ideal for gourmet and adventurous menus
- Strong reputation in specialty meat market

Things to Keep in Mind

- Exotic items may not appeal to all families
- Higher costs due to niche supply

Family Decision

☐ Approved – Good to use

☐ Not Approved – Do not use

Purveyor Review Sheet

Company: Crowd Cow

Website: <https://www.crowdcow.com>

What They Provide

- Marketplace connecting consumers with small farms
- Grass-fed beef, heritage pork, chicken, and seafood

Farming & Quality Standards

- Emphasis on transparency: know your farmer
- High welfare and sustainable practices
- Wide variety of proteins

Why We Consider Them

- Flexible options without subscription
- Educational emphasis on sourcing stories

Things to Keep in Mind

- Pricing depends on farm and cut
- Availability tied to small farm production

Family Decision

[] Approved – Good to use

[] Not Approved – Do not use

Purveyor Review Sheet

Company: Wild Pastures

Website: <https://wildpastures.com>

What They Provide

- Grass-fed beef, pasture-raised chicken and pork
- Meat sourced from regenerative U.S. family farms

Farming & Quality Standards

- Focus on regenerative agriculture
- No antibiotics or hormones
- Environmentally conscious logistics

Why We Consider Them

- Affordable regenerative option
- Supports U.S. family farmers

Things to Keep in Mind

- Frozen-only delivery
- Limited selection compared to larger providers

Family Decision

☐ Approved – Good to use

☐ Not Approved – Do not use
