

## Purveyor Review Sheet

Company: Terra Dolce (MycoLogical Natural Products, Eugene, OR)

Website: <https://mycological.com>

### What They Provide

- Organic dried chili peppers, including chipotle, ancho, Anaheim, habanero, and more
- Gourmet dried mushrooms and wildcrafted products
- Specialty dried foods from small organic farms in the Willamette Valley and surrounding areas

### Farming & Quality Standards

- Certified organic facility (CCOF) with Good Manufacturing Practices
- Products sourced from local organic farms and sustainable wildcrafters
- Strong emphasis on traceability, food safety, and consistent quality

### Why We Consider Them

- Trusted supplier of authentic dried chilies and mushrooms
- Strong reputation in the Pacific Northwest for quality and sustainability
- Provides unique, chef-driven ingredients not commonly found in mainstream supply chains

### Things to Keep in Mind

- Availability may be seasonal depending on crop and wild harvest conditions
- Premium pricing reflects quality sourcing and small-batch production

### Family Decision

Please mark your preference:

Approved – We are comfortable using Terra Dolce (MycoLogical) products

Not Approved – Please do not use this purveyor
