

Purveyor Review Sheet

Company: Central Milling Company

Website: <https://centralmilling.com>

What They Provide

- Wide selection of premium flours and grains, including organic and artisan varieties
- Specialty items such as malted flours, ancient grains like einkorn and spelt, and custom blends
- Products designed for both professional and home bakers

Farming & Quality Standards

- Partnerships with farmers to cultivate flavorful, nutritious, and sustainably grown grains
- Traditional slow and cool milling processes to preserve grain integrity
- Full traceability of products from farm to mill, ensuring transparency and quality

Why We Consider Them

- Highly regarded in the baking community for consistent performance and quality
- Offers educational resources and baking classes, demonstrating commitment to bakers
- Strong reputation for innovation and support of heritage and organic grains

Things to Keep in Mind

- Premium pricing due to sustainable sourcing and traditional milling practices
- Shipping costs and times may vary depending on location

Family Decision
